Speedpost Monthly Electronic Statement
Frequently Asked Questions

Q1: When will Speedpost electronic statement be implemented?
A1: Speedpost has been providing our customers with electronic monthly statements. Starting from April 2017, all Speedpost account customers who have registered with “My Speedpost” will be notified by e-mail at the beginning of each month that their latest electronic monthly statements have been uploaded to the online platform “My Speedpost” (https://my.speedpost.hk). By simply logging in to “My Speedpost”, account customers can access the most updated statement information.

Speedpost electronic monthly statement service will be fully implemented from October 2017. In order to ensure access to electronic monthly statements and to facilitate management of their accounts online, Speedpost account customers are required to register or validate in the online platform, “My Speedpost”, by 30 September 2017.

From now till the beginning of July, Speedpost account customers are going to receive a notification letter in batches. Upon receipt of the notification letter, and an activation code printed on it, account customers may follow the guide attached with the letter, to perform registration or validation in “My Speedpost”. To learn more about the registration or validation process, please refer to the guide attached with the notification letter, or, watch related demo videos and read the FAQs in “My Speedpost”. If you have received email about Speedpost electronic monthly statement or Business Registration Certificate information, please login to “My Speedpost” for access to the most updated statement information or for updating the required information.

Q2: If I don't want to switch to electronic statement and wish to continue receiving the paper bills by post, what shall I do?
A2: If you wish to continue receiving the paper bills by post, you must write in letter as application to the “Speedpost / Local Courier Account Section”. The applicable account number shall be specified on the letter which shall be posted to “General Post Office Box no. 10811” with attention to the “Speedpost / Local Courier Account Section”. It normally takes 5 working days to process the application after receiving the request, and will be effective from the next statement.

Q3: If I hold more than one Speedpost account, is it possible for some of “My Speedpost” accounts to receive the electronic statement, while the rest to receive the paper statement?
A3: Possible. Customer can register at “My Speedpost” so as to receive the electronic statement. Any customer who wishes to continue receiving the paper bills by post must write in letter as application to the “Speedpost / Local Courier Account Section”. For details, please refer to question 2.

Q4: After registration, can I continue to receive the paper statement by post?
A4: The Speedpost electronic monthly statement service will be fully implemented from October 2017 to replace paper statements, and customer will no longer receive the paper statement by post. Any customer who wishes to continue receiving the paper bills by post must write in letter as application to the “Speedpost / Local Courier Account Section”. For details, please refer to question 2.
